## The Melissa Advantage - Smart, Sharp Solutions You Can Rely On

Melissa's full spectrum of solutions across the entire data lifecycle ensures all of your "people data" - addresses, names, phones, and emails - are valid, up-to-date, and standardized, and can easily be integrated into your product stack.

# A Strong Foundation to Build On

As the Address Experts, we know that the address is the foundation for data-driven success. Our proprietary address engine has been developed over four decades, so you'll be working with a partner who's committed to delivering best-ofbreed solutions to achieve positive results.

#### **Decades of Address Expertise**

Melissa is USPS<sup>®</sup> CASS<sup>™</sup>/DPV<sup>®</sup>, NCOALink<sup>®</sup> and PAVE<sup>™</sup> certified, and we work with leading postal authorities including Canada Post, Royal Mail, Deutsche Post, and more.

#### **Simply Secure**

We continually undergo independent security audits to reinforce our commitment to data security, privacy, and compliance requirements, including SOC 2, HIPAA, HITECH and HITRUST, Service Level Agreements (SLAs), and failover/uptime guarantees.

## **Customer Satisfaction**

You'll have access to leading-edge contact data quality and enrichment solutions, superior support, and new growth opportunities through referrals. Not to mention a high renewal revenue rate (approximately 93% of Melissa customers were planning to renew in 2023).\*
